APEROL SPRITZ

This summer, the joy of Aperol has come to Madison, as we stir things up with an exclusive and refreshing cocktail menu. Embrace the iconic taste of Italy in our own Al Fresco setting, with choices that range from the classic bittersweet Aperol Spritz, through to inspired creations from our Bar Manager, Alex.

Aperol is all about the Venetian way of life, where friends come together and glasses are raised high. Let's celebrate that spirit in style, and say "ciao" from London's most scenic rooftop.
