Thank you, especially, to you, Izzy, for being the most positive, helpful, caring events manager ever! And, many thanks to Damien on the Ground Floor who does such a fab job managing so many different (and difficult) situations, while standing on his feet in the cold all night long. What a gem! Christmas Lunch, December 2024: "I wanted to take a moment to share the wonderful experience we had at Madison for our Christmas lunch on Friday. It was, without a doubt, the best experience we've had so far. From the very beginning, your professional and kind approach ensured everything went smoothly, from securing the date for our company Christmas party all the way through to the end of the event. Every little touch and detail were flawless, and we truly appreciated the effort you put into making it special. A special thank you to Isabella for taking the time to personally welcome me on the day. I know it wasn't easy to deliver everything we wanted, but you went above and beyond, ensuring that our experience was something everyone will remember for a long time. Without your experience and support, I wouldn't have been able to pull it off myself. Massive kudos to the event manager, who was incredibly attentive, ensuring that everyone had everything they needed and that we were all well looked after. Thanks to the waiters as well, who made sure our drinks were always topped up. Their service was exceptional, and we truly felt we were being taken care of by the best restaurant in the world. A big shout out to the chefs who managed to prepare such a delicious food for 60 people without any issues or exceptions. The meal was absolutely fantastic! And last but not least, a big thank you to Angela for stepping forward whenever you were available, even on the few occasions when you were busy with another customer. Your dedication to helping us did not go unnoticed, and it made a big difference. Overall, the experience at your restaurant was outstanding, and everyone loved it. The guests left the event smiling and satisfied, which is exactly what we hoped for. I can't fully express how grateful we are in words, but please know that you exceeded all expectations. Thank you once again for making our event unforgettable! Wishing you all a wonderful Christmas and festive season, and I hope to see you again soon!!"
